

A360 LEADERSHIP GROWTH SESSION

A QUICK AND EFFICIENT WAY TO LEARN FROM RENOWNED AUTHORS IN THE FIELDS OF BUSINESS DEVELOPMENT AND ORGANIZATIONAL LEADERSHIP

THE IDEAL TEAM PLAYER BY PATRICK LENCIONI

The Ideal Team Player is a business fable that outlines three key virtues - Humble, Hungry, and Smart - that an organization should look for when bringing on new team members or deciding whether members should be retained. Lencioni explains how these virtues are the foundation for maintaining a high-performing organization.

Patrick Lencioni lays out a groundbreaking, new approach for addressing group behaviors that destroy teamwork. **The Ideal Team Player** presents a powerful framework and easy-to-use tools for identifying, hiring, and developing ideal team players in any kind of organization. This book is great for everyone, from business leaders and head coaches, who are trying to build a culture of teamwork within their organization, to employees wanting to make themselves an invaluable team member.
